

A Point of Clarification from Rooster: There is another Regional Comp apart from the Asian Champs, 3 June 2007

I am heading up to Vienna this weekend to defend Finland's European Title won at last year's Central European AFL Championships (CEAFL) in Prague.

The CEAFL is something I put together in 2002 with a mate moving to Madrid & me moving to Germany. Madrid hosted in 2003, Dusseldorf in 2004, Prague in 2006 and now Vienna in 2007.

In 2005, (we moved from the CEAFL to) the EU Cup...but they failed to string two of those in a row with the 2006 tournament being canned. Therefore, we re-introduced the CEAFL in Prague in 2006.

So, there is another regional championships taking place, and with country teams only.
