Dear Phil,

**RE: ANZAC Day Friendship Match - Charity donation to VTVFCF**

I have recently received from Glen Nolan the amount of VND18,715,400, by way of a donation from the Viet Nam Swans Football Club towards the School refurbishment program currently being undertaken by the Vung Tau Veterans and Friends Childrens Fund (VTVFCF).

On behalf of the committee and members of the VTVFCF, and most importantly the children of Ba Ria Vung Tau Province, please accept our sincere thanks to yourself and the Swannies Committee and members for this most generous donation. It will make a difference.

Looking forward to being involved again next year and on other Swannies sponsored activities during the year. Should be a hoot!

Best regards,

Kevin McMillan
