

My Jumper designs stem from the following traditional Vietnamese flags:

Flag of the National Liberation Front (NLF)

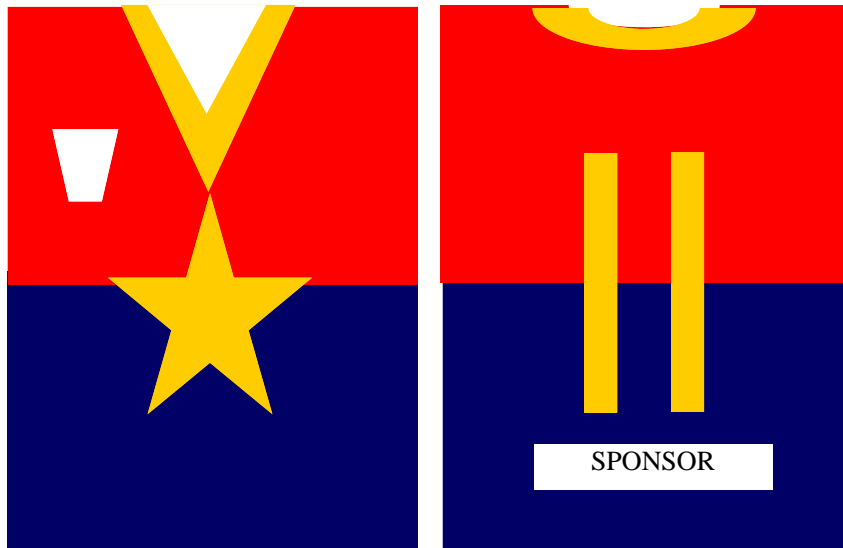

Flag of the Empire of Vietnam and of the former South Vietnam.

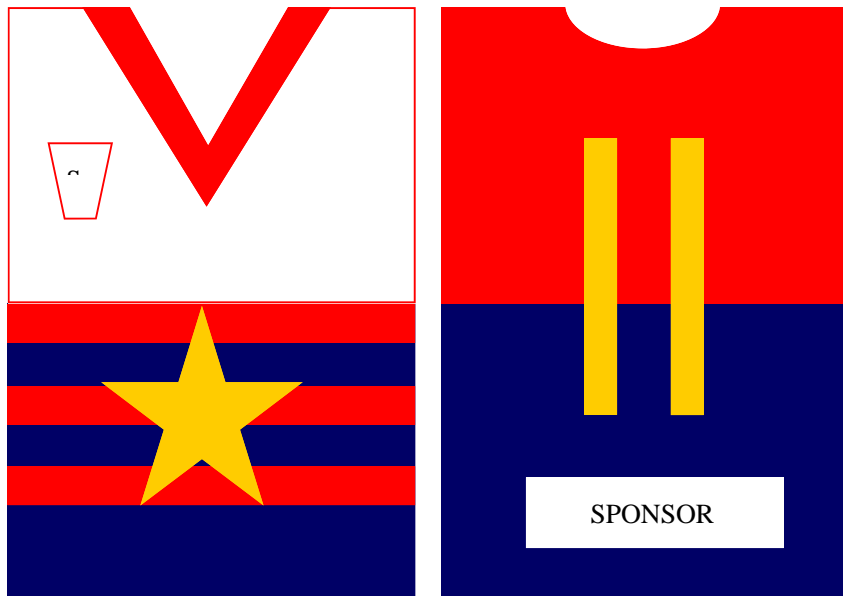

The flag consists of a yellow field (also the Vietnamese skin colour – seriously) and three horizontal red stripes symbolising the unifying blood running through northern, central, and southern Vietnam.

From these flags we could have the following:

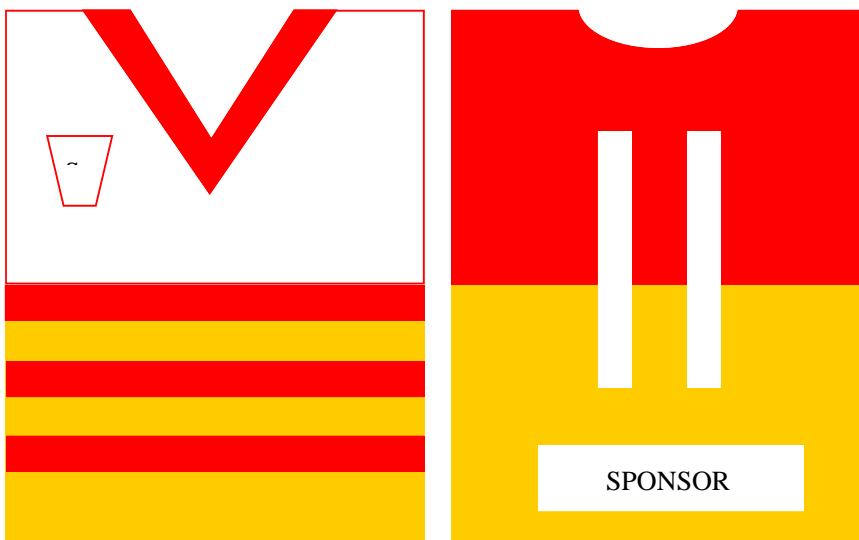

1. A Jumper derived from the NLF Flag

2. A hybrid of the current Swans jumper and the NLF flag

3. A hybrid of the current Swans jumper and the South Vietnam Flag

4. The South Vietnam jumper in traditional Swans colours, also containing the red-vee
